

## **Patio Heater Product Liability Disclaimer**

Bonfire Supply sells patio heaters intended for outdoor use only and in accordance with all applicable Canadian safety standards.

Customers are responsible for assembling, installing, and operating heaters properly and safely. Improper use can result in serious injury, fire, or property damage.

Bonfire Supply is not liable for any damages, injuries, or legal actions resulting from failure to follow instructions, improper setup, or unsafe operation.

Use of patio heaters purchased from Bonfire Supply constitutes acknowledgment of these conditions and acceptance of full responsibility.
